Pro Privateer Program – Revised 12/29/09

A Pro Privateer Program has been established for this year. "Pro Privateer Points" will be awarded to non-factory sponsored privateer racers. These points will be awarded in Pro Super Stock and Pro Open. Points will be assigned in the rounds as well as the final as per the rulebook scoring each weekend. The top 5 Privateers earning the most Privateer Points in each National race weekend from each Pro class will be awarded prize money. Ties in points will be broken first by best finish in final, then best finish in round 2, and then best finish in round 1.

Factory race managers have submitted the following list of factory teams/riders. All other pro riders will qualify for the Privateer program. If, due to an injury, a privateer moves into a factory trailer, they will lose their privateer status. THE RIDERS LISTED BELOW ARE NOT ELIGIBLE FOR THE PRIVATEER PROGRAM.
